

HISTORY OF THE NSA

Founded in 1973, the National Speakers Association (NSA) is an international association dedicated to setting platform excellence worldwide. NSA provides workshops, seminars, conventions, support materials, and other learning opportunities to its members.

In 1980, The National Speakers Association – Washington, DC Area chapter (NSA-DC) was founded. Members come primarily from Washington, DC, Delaware, Maryland, Pennsylvania, and Virginia, though all are welcome.

LOOK WHO'S TALKING TESTIMONIALS FROM OUR MEMBERS

When people around the country ask me what the key to my success as a speaker was, I never hesitate: NSA and especially my local chapter—NSA-DC! It is here where I learned how to grow and run my speaking business.

Willie Jolley

Named "One of the 5 Outstanding Speakers in the World"
Toastmasters International

Why reinvent the speaking profession wheel when you can join NSA-DC and learn everything you want and need to know from generous peers and inspiring experts who tell you exactly how to catapult your career? You simply can't find a higher ROI for your time and money invested.

Sam Horn

Author of *Stand Out in Any Crowd!*
15-time Emcee of the Maui Writers Conference

NSA membership is directly responsible for a six-figure book advance on my first book!

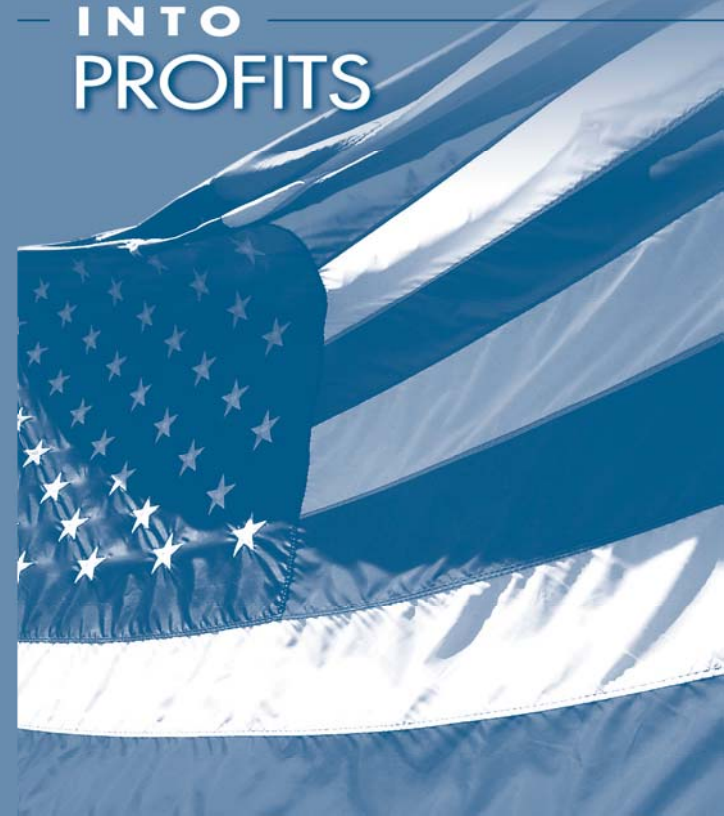

Colonel Randall J. Larsen, USAF (Ret)

Director, Institute for Homeland Security

The National Speakers Association, Washington, DC Chapter, provides business development education and networking opportunities to professional speakers, trainers, consultants, authors, and others who speak in front of client groups.

WELCOME TO NSA-DC CHAPTER

LOOKING FOR A RESOURCE TO HELP YOU ADVANCE YOUR SPEAKING CAREER?

For the true professional, school is never out. NSA-DC brings talented professional speakers together and provides them with the resources they need to better serve their clients, advance their careers, as well as reach a higher level of personal and professional enrichment. Our regular monthly programs have included such topics as:

- Mastering the craft of presenting
- Developing content and expertise
- Organizing and managing a profitable speaking business
- Developing and marketing books, audio and video programs, virtual products, and more!

WHO VALUES NSA-DC?

Talented individuals who either speak or want to speak in front of others as part of their profession. Our membership includes:

- Nationally and internationally known professional speakers who offer their insights to other NSA-DC members.
- Professional speakers, trainers, consultants, and authors who seek resources, information, and professional colleagues to help take their careers to the next level.
- New and developing speakers who want to learn the professional speaking profession and make it their own.
- Other professionals who want to transition to a speaking career.
- Speakers Bureaus and other vendors who support professional speakers.

NSA-DC MEMBERSHIP & BENEFITS

To become a member of NSA-DC you must first qualify and become a member of the National Speakers Association (NSA). Before becoming a NSA member, you may participate in select NSA-DC programs by becoming a candidate or attending as a guest.

NSA-DC members enjoy the following benefits:

- Discounted rates to all ten monthly educational programs
- Free access to all Tele-seminars with the Masters
- Invitations to Members Only events
- Free access to our digital and tape resource library and other Members Only on-line resources
- A listing on the NSA-DC website which is regularly scanned by speakers bureaus and others seeking event speakers

Become part of a community of colleagues and friends who understand your unique career challenges and want to help you to succeed!

Go to www.nsadc.org for more application and registration information.
